

Reverse Advent Calendar Foodbank

Following on from Harvest and with Christmas fast approaching we are going to be collecting food to make an advent foodbank. You can either collect 24 items at home and bring a completed box into school, or bring in an item to add to our advent boxes already in school. Start your advent box on 7th November and add an item every day. Bring the box to school on 1st December ready to be delivered to the Foodbank in time for Christmas. Thank you for supporting your local community.

If you would like more information about this please follow this link to the EDP website.
