20th June 2019

Dear Parents/Carers,

Time Capsule Competition

Our pupils have been given the opportunity to take part in a time capsule event in collaboration with David Wilson Homes.

The children are being asked to think of items which they could put into a time capsule which will be buried at the Kingfisher Meadow housing development off Green Lane in Horsford. Selected children will then be invited to come and help the Site Manager bury the capsule somewhere on the site just before the start of the summer holidays.

The plan is to dig up the capsule in 30 years' time, so David Wilson Homes would like the children to think of any modern day items they could bury which represent how we live our lives today. They would also like letters to be written by our children to whoever digs the capsule back up in 2050! What would you tell them about living in 2019? What questions would you ask someone who is living in 2050?

If your child would like to be in with a chance to help bury the time capsule all they need to do is write a letter which could be put into the capsule and list a few items that they would include, explaining why they would put them in. The best 10-15 letters and item lists will be chosen and those children will come and help bury the capsule on Thursday 11th July.

Make sure your child's full name is included on their entry and handed in to the office by Friday 28th June.

Yours sincerely

Tanya Kirton
Head of School
