

Dear Parents,

Our school have signed up to the voting contest to win a playground made from recycled oral care products. You can **now vote** for our school until **the 3rd of July** by following these 3 steps:

1. Visit the [contest page](http://www.terraceycle.com/en-GB/contests/colgateplayground#). www.terraceycle.com/en-GB/contests/colgateplayground#
2. Fill out the required fields (your name, your email address and the name of the school you would like to vote for).
3. Click on "cast vote!"
4. Verify your email if this is the first time you vote. You can then vote once a day from each email address verified.

The leaderboard displays the real-time ranking of the schools and will be updated automatically.

Win one of the prizes

The 3 schools with the most votes win the following prizes:

1st prize: A school playground made from recycled oral care products

2nd prize: Garden planters made from recycled oral care products

3rd prize: A bench made from recycled oral care products

We are very excited to be in the running for this contest so hope you can help us!

Look below to find out how we can up our chances of winning....

Each child at our school has their own school email address. We have nearly 300 children at our school, so if they all voted, even if just once, we would up our chances of winning dramatically.

Your child will need to log on to the terracycle website following this link to vote: www.terracycle.com/en-GB/contests/colgateplayground#

They will then need to put in their name, their email address and our school – we are down as Horsford CE VA Primary. If it is the first time they are voting they will need to log in to their email account and click on the link in the email they are sent to verify their email address. Here is how your child can access their email address:

School email website: <http://email.nsix.org.uk>

Child's username: _____@nsix.org.uk

Password: _____

If they vote again, they won't need to verify their email address again. You can vote once each day.

For security reasons we have not written your child's information on the sheet above but our children at Mill Lane have been given their username and passwords. Some of the children have already voted at school today. If you would like your child to have their email address and password to help vote please contact Mrs Kirton.
