Book Box:

Can you spot Captain Contraction at work in your reading book? Write a list of the contracted words you find and then rewrite them into a new sentence.

Year 2 Homework:

English:

Have a go at researching different African animals. What is the most interesting fact you can find? Create your own fact file about African animals. This will help you with your English work next week.

Spellings:

Plentiful
Penniless
I'll
He'll
She'll
You'll
They'll

Have a go at writing these into sentences! Don't forget to think about those four different sentence types (statement, question, command, and exclamation).

Maths:

Can you practice using the less than symbol (<) and the greater than symbol (>) to write number sentences. For example, $10 < 25$. House point challenge - see how many different number sentences you can write in one minute using the greater than and less than symbols.

This week's Philosophy Question:

'How would the world be different if animals could talk?'
Discuss.

Can you help?

Do you have an up to date DBS check? If you are able to pop in and hear some children read we would be very grateful. Please speak to Miss McIntyre or Mrs Andrews.
