

## Theme:

$2 \times 2 = \text{Boo}$

Using multiplication to problem solve

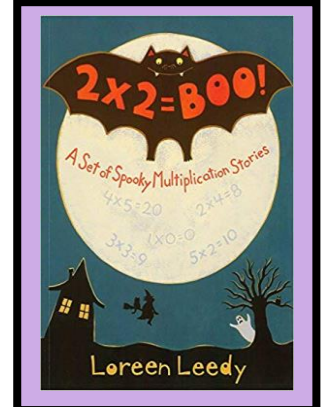

### Computing

This week we will be using our computing lessons to tackle Excel. We will be collating data and using it to create bar charts.

### Maths

This week we will be focusing on area and perimeter: times tables, arrays and problem solving with measurement.

### Science

We will be continuing with this half term's topic of *sound* in Science. We will be using our data handling skills to create bar charts as part of our soundproofing investigation.

### Maths Homework

We are asking the children to estimate and measure the perimeter/area of either their garden or their bedroom and record it. This could be a scaled drawing or a picture of them measuring.

### Key Vocabulary

Arrays  
Multiply  
Times  
Area  
Perimeter  
Bar chart  
Tallies  
Axis  
Data

### Parent Event

Please come and join us on Thursday 23<sup>rd</sup> May between 9-10am for a maths trail around the school with your child.

There will be refreshments for sale in the hall

### Art

We will be creating posters promoting the allotments which the children have been focussing on in Maths.
