

KS1- Autumn 2

English

Power of reading- Beegu Alexis Deacon

Let's Think In English- Journey and Quest by Aaron Becker

Descriptive writing, letter writing and non-fiction report writing.

DT

To design a new product with a design specification and to make a new product according to a design specification. To evaluate my product against a design specification.

Science

Identify and name a variety of everyday materials including wood, plastic, glass, metal, water and rock.

History

To investigate a significant historical event (the moon landing) and significant historical figures (Neil Armstrong) . To know how significant historical figures have contributed to national and international achievements.

Maths

Counting in steps of 25, 55 and 105 forwards and backwards.

Learning to solve multiplication and division number sentences using different strategies.

Explore 2D and 3D shapes and identifying properties of the shapes.

Space

We are an expert team of space explorers. We are working for the international space committee exploring the unknown in space.

Computing

To create computer space art using different paint applications on the computers.

RE

To explain how Advent is underway and start re-telling the nativity story. To understand what the nativity story teaches Christians about Jesus and to recognise how Christians use the nativity story to influence their actions at Christmas.

Music

To listen with concentration and understanding to a range of high-quality live and recorded music.
