

Theme: How to be a Superhero

A letter has been received at school to let us know that Dr Danger has been sighted in Horsford and we need a superhero to save the day!

English:

In English this week we are learning how to write questions.

Maths:

This week will be subtracting a two 2-digit number from another 2-digit number.

Phonics:

Mr Watson	ly suffix
Mrs Andrews	ed suffix
Miss Anderson	i o c g u
Mrs Nolan and Mrs Genc	i o c g u

Theme:

This week we will be learning how to maintain a healthy lifestyle, including exercise, diet and hygiene.

We will also be discussing, looking at and creating some artwork based on the work of famous artists.

Book Box:

Read a book at home (about a Superhero if possible) and try to spot some statements and commands. Ask your child if they can tell what the difference between them is.

Can you help?

If you have any old craft materials at home that you no longer need, we would really appreciate it if you could send them into school.

This week we will be doing Philosophy on Tuesday.

Try to remember to discuss with your child what questions they have been debating this week.

Year 2 Homework:

Practise your addition and subtraction facts to 20, for example, $15 + 5 = 20$ or $20 - 15 = 5$ and $7 + 3 = 10$ or $10 - 7 = 3$. How many different sums can you make? Write them down.
