

# Year 3 Transition Information

## Parent guide

### September 2020 - COVID

#### **The School Day**

**8.50am:** school is officially open for children to come into classrooms through their outside classroom door.

**8.55am:** bell goes for start of school day

**9.00am:** registration closes/lessons start

**10.15am:** break time – tuck available to buy – different items to Holt Road, different prices ranging from 20p for a juice drink, 25p for fruit, 45p for milkshake and 50p for a bacon roll. We will be doing cashless payments – more details to follow in September.

**12.30pm – 1.20pm:** lunch time

**3.20pm:** bell goes for the end of the day. Teachers will let children out from their outside classroom doors. Please note, although teachers are on the doors and playgrounds checking the children find their adult ok, we do not keep the children behind until someone collects them. As parents are not allowed on site, please arrange a suitable place where you will wait outside the gates for your child to find you. Mrs Kirton will be outside the gates for safeguarding reasons. Children are taught to come back onto the school site if their parent is not where they have arranged to meet them.

#### **Water bottles**

Please ensure your child's bottle only contains water. If there is a medical reason that requires them to have squash, please let your child's class teacher know. Water bottles are kept on the side in the classrooms. They may fill them up at our cooled water fountains at break times. Please make sure they are named.

#### **Lunch times**

The children will eat their lunch in their classes. Unfortunately, the government universal free school meals and the free fruit and vegetable scheme no longer apply after KS1 so please ask if you are unsure if your child can receive free school meals from Y3 onwards. They are £2.20 each day for a main meal and dessert.

#### **Safeguarding**

Please can we remind you that due to the safeguarding our car park is for staff use only. If you need to speak to a member of staff please ring 01603 897938 to make an appointment.
