#### Arithmetic

There are year 5 and 6 arithmetic papers on google classroom in the classwork, or on the school website. Please complete test 3 for your year group.

$$5.5 - 3.4 = 2.1$$

$$15 \div 3 = 5$$

$$2 + 15 = 17$$

$$3 \times (4+2) = 18$$

$$25\% \text{ of } 12 \text{ is } 3$$

$$\sqrt{9} = 3$$

$$\frac{3}{4} \times 16 = 12$$

#### Reading

Read the newspaper article about VE Day and answer the questions. The challenge questions are optional.

The documents are on google classroom and on the school website

#### Maths

Complete the Maths challenge called Code Cracker, on page 10 in the Topical Maths booklet. This can be accessed on google classroom or on the school website.

#### English

Complete the task on Parenthesis. This is on Google classroom and the school website.

### Topic: VE Day Friday 8th May

First watch this clip:

And have a look at this Newsround page:

<https://www.bbc.co.uk/newsround/48201749>

Then have a look at the Powerpoint about VE Day (on website). It includes some facts about the 70th anniversary 5 years ago.

Task 1: Imagine you were a child in 1945. Write a diary entry for May 8th 1945. Explain what you might have seen, heard and how you felt.

Task 2: Because of the Coronavirus we cannot have the same celebrations in 2020 to mark the 75th anniversary. Plan a celebration that you could have in lockdown. Think about what you might do, talk about, music, decorations and how you could connect with other people.

***For example: in my street we are having a socially distanced street party! Each house will hang bunting and we will all sit on our own front gardens, play some music and eat some party food.***

Extra tasks (optional)

- Make some bunting
- Find out some more facts about WW2
- Make some wartime food (see recipe booklet for ideas)
