

Kipper's Birthday

Week beginning 26th September 2022

This week in phonics...

We will be learning the 'sounds' made by the letters i, n, m & d.

We are learning to read 'a' and 'no'.

This week in maths...

We will be sorting objects and comparing amounts using the language 'more', 'fewer' and the 'same'. We will also be developing the children's counting skills, using 1:1 correspondence.

Why this 'theme'?

We have chosen this theme to support the children interests in making presents to give to each other and this ties in with the Jewish celebration of Rosh Hashanah.

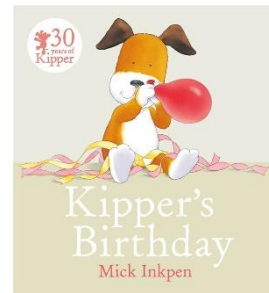

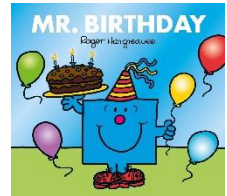

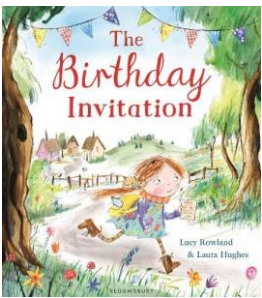

Skills Focus

Creating with Materials-
Safely use and explore a variety of materials, tools and techniques.

It's My Birthday
HELEN OXENBURY

Did you know...

Rosh Hashanah is a Jewish festival celebrating the anniversary of the creation of the World.

I wonder...

Why if we didn't have birthdays would we still get old?

Things your child can do at home: Make a birthday cake in the sand, adding stick candles, talk with your grown ups about how you would like to celebrate your next birthday, make a list of the friends you would like to invite to a party, find a cake recipe and follow the instructions to bake a cake.

Homework: Look on the calendar with your grown up and find out with month your birthday is in.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Wisdom'

This week's song: *The wise man built his house upon the rock.*

School Values:

Compassion • Courage • Responsibility

We need your help!

In our home area we are wanting to personalise this for the children so we would love to have a family photograph to pop up on the wall. If you are happy to share a photograph, please could you either send this in or send it to us on the following email address link@horsford.norfolk.sch.uk Thank you in advance- the children are going to love seeing themselves and their family up on the wall! 😊
