

Rumble in the Jungle

Week beginning 3rd October 2022

This week in phonics...

We will be learning the 'sounds' made by the letters g, o, c & k.

We are learning to read 'of' and 'go'.

This week in maths...

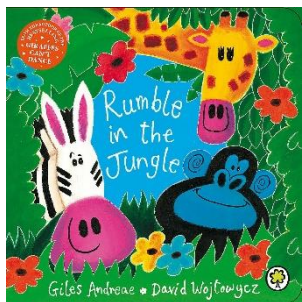

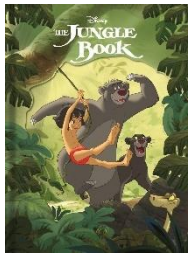

We will be comparing size, mass and capacity, using a range of vocabulary.

Why this 'theme'?

We have chosen this theme as the children have been very interested in animals, engaging in imaginative play with them and looking after them.

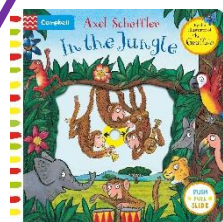

Skills Focus

The Natural World-Explore the natural world around them, making observations and drawing pictures of animals and plants.

Key Vocab

Animals, environment, observations, senses, different, similar.

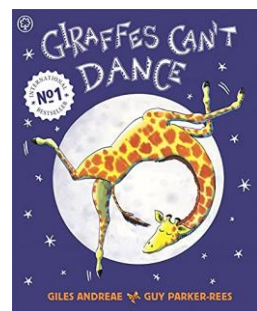

Did you know...

The rainforest is home to half the animal species on Earth.

lion
tiger
snake
elephant

I wonder...

What animal would you be if you lived in a rainforest? Why?

Things your child can do at home: Make a mask of your favourite jungle animal, share stories and non-fiction books about animals, watch videos to find out facts about different animals, visit a local zoo.

Homework: Draw a picture of your favourite jungle animal and write your name.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Wisdom'

This week's song: *The wise man built his house upon the rock.*

School Values:

Compassion • Courage • Responsibility

We need your help!

In our home area we are wanting to personalise this for the children so we would love to have a family photograph to pop up on the wall. If you are happy to share a photograph, please could you either send this in or send it to us on the following email address link@horshford.norfolk.sch.uk

Thank you in advance- the children are going to love seeing themselves and their family up on the wall! 😊
