

Room on the Broom

Week beginning 14th November 2022

This week in phonics...

We will be learning to read and write words containing the sounds 'j', 'v', 'w' and 'x'.

We are learning to read 'was' and 'you', as well as continuing to practise all previously taught words.

Why this 'theme'?

We have chosen this theme as the children have enjoyed making their own 'silly soup' in class and creating spells.

This week in maths...

We will be practising naming and describing 2D shapes.

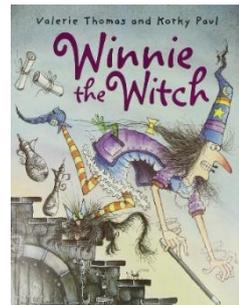

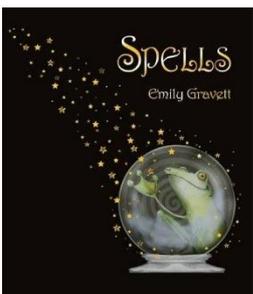

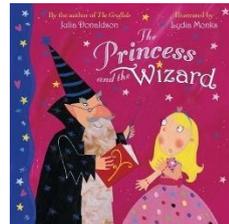

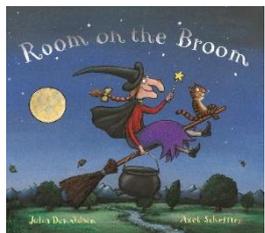

Skills Focus

Creating with materials:
Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form, and function;

Key Vocab

Colour mixing, rubbings, describe, texture.

magic wand
hocus pocus
spells witch frog
cast cauldron enchant
broomstick
cat wizard
abracadabra
potions
cloak
hat
dragon

Did you know...

The first 'cups and balls' illusion was performed in Ancient Egypt in 2700BC.

I wonder...

Would you rather be friends with a witch or a dragon? Why?

Things your child can do at home: Share stories about witches, wizards and mythical creatures, retell these or act them out using props, making a list of interesting ingredients and create your own potions, make 'magical' props, like wands and hats.

Homework: Write down the ingredients to create your own spell.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Friendship'
This week's song: *Our God is a great big God.*

School Values:

Compassion • Courage • Responsibility

Bookbugs and dragontales...

On Tuesday 29th November we will be welcoming the team from Bookbugs and dragontales bookshop in Norwich into school. The team will run a storytelling and drama/arts and crafts workshop for reception with a focus of traditional tales. For more information including the cost of the workshop please see ParentApp.
