| COMPUTING | E-Safety (1-2 hours) Use technology safely & respectfully, keeping personal information private; identify where to go for help & support when they have concerns about content or contact on the internet or other online technologies. Comic Creation (3 hours) Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals. | Digital Art (4-6 hours) Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals. | Programming in Scratch (4-6 hours) Design, write and debug programs that accomplish specific goal, including simulating physical systems. Use sequence and repetition in programs; work with various forms of input. | E-Safety (1-2 hours) Use technology safely, respectfully & responsibly; recognise acceptable/unacceptable behaviour; identify a range of ways to report concerns about content & contact. | Programming in Kodu (3-5 hours) Design, write & debug programs that accomplish specific goal, including simulating physical systems. Use sequence, selection, & repetition in programs; work with various forms of input. | 3D Design (3-5 hours) Select, use & combine a variety of software (including internet services) on a range of digital devices to design & create a range of programs, systems & content that accomplish given goals. |
| | Storyboards (1-2 hours) Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals. | Document Editing & Creation (1-2 hours) Select, use and combine a variety of software (including internet services) on a range of digital devices to design and create a range of programs, systems and content that accomplish given goals. | | Music Creation (2-3 hours) Select, use & combine a variety of software (including internet services) on a range of digital devices to design & create a range of programs, systems & content that accomplish given goals. | Branching Databases (1 hour) Collect, classify and present data. | Infographics (1-2 hours) Design & create content that accomplish given goals. |
| PSHE | NSPCC PANTS TEAM if a class team works well together, it has a positive impact on all of its members and what they can achieve, how an individual's actions can impact the team. | Think Positive Feelings (comfortable and uncomfortable) and how our attitude towards life can affect mental health. | Diverse Britain We live in a diverse, multicultural and democratic society. The need to be respectful of difference. | Be Yourself Confidence to be yourself. Identifying strengths and achievements and recognising different emotions. | It's My Body Choices about looking after their bodies. Making safer choices about their body, sleep and exercise, diet, cleanliness and substances. | Aiming High Goals and aspirations. Looking at achievements so far and the attitude needed for success. |

| Year | 3 |
|------|---|
|------|---|

| RSHE | My Feelings Pupils can identify their personal strengths and set aspirational goals for themselves, understanding how this contributes to and builds self-esteem. | My Body Pupils know how their body may change as they grow and develop, how to care for their body and celebrate their uniqueness. | My Relationships Pupils can recognise a wide range of relationships, including attributes of positive, healthy relationships. | My Beliefs Pupils can challenge gender stereotypes, understanding that there is not one way to be a boy, or one way to be a girl. Pupils can begin to identify bias and opinion. | My Rights and Responsibilities Pupils understand the right to protect their body from unwanted touch. Pupils can identify their own rights (e.g. UN Convention on the Rights of the Child), those others and who is responsible for rights being met. | Asking for help Pupils can identify the difference between secrets and surprise, knowing when it is right to break a confidence and share a secret. |
