

People Who Help Us

Week beginning 23rd January 2023

This week in phonics...

We will be learning to read and write words containing the sounds 'ow', 'oi', 'er' and 'ur'.

We are learning to read 'heard', 'were' and 'pushes', as well as continuing to practise all previously taught words.

Why this 'theme'?

We are thinking about people who help us linking in with a visit from the police to find out about their role in society.

This week in maths...

We will be learning to compare mass and capacity using mathematical vocabulary.

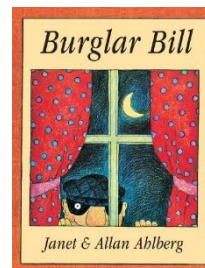

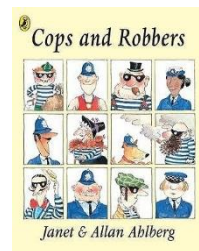

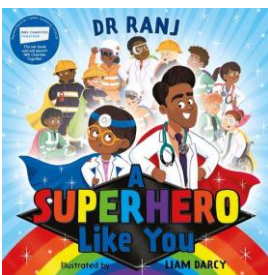

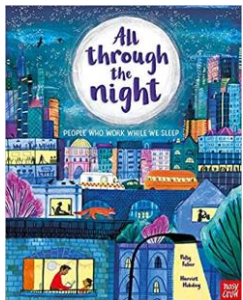

Skills Focus

Past and Present: Talk about the lives of people around them and their roles in society.

Vocabulary

Safe
Help

SAVE
PEOPLE WHO HELP US
FIREFIGHTER
EMERGENCY POLICE VAN
DOCTORS EQUIPMENT 999
TEACHER
EMERGENCY SERVICES
AMBULANCE GOOD SAMARITAN CARING NURSES
RESCUE COMPASSIONATE KIND

Did You Know...

We dial 999 in case of an emergency as this was the easiest number to locate in the dark on a rotary dial telephone.

SAFE
CAR
HELP
SIREN

I wonder...

Would you rather police officer, firefighter or a doctor? Why?

Things your child can do at home: Talk about road and car safety as you walk, bike or drive to school, discuss people who help us and their roles, talk about your address in case you need this for an emergency, share stories together about some of these people who help us.

Homework: Draw a picture of someone who helps you and write a label next to it. Add your name using your name card to help you.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Peace'

This week's song: *When I needed a neighbour.*

School Values:

Compassion • Courage • Responsibility

Visit from the Police

On Monday 23rd January we are very excited to welcome in our local police officer to find out about his role and how he helps us. We will also get to see the important equipment he uses, as well as his police car.
