Week beginning 6<sup>th</sup> March 2023

## This week in phonics...

We will be learning to read and write words/ sentences containing digraphs.

We are learning to read the tricky words 'people' and 'their', as well as learning how to spell 'go', 'of' and 'to'.

## This week in maths...

We will be exploring the composition of numbers 9 and 10, as well as comparing numbers to 10.

## Why this 'theme'?

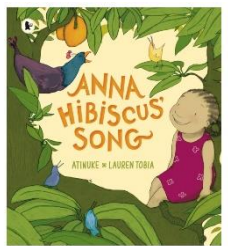

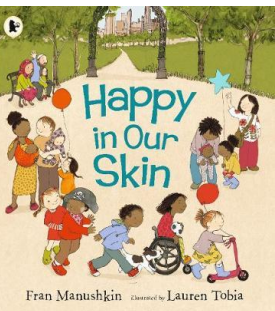

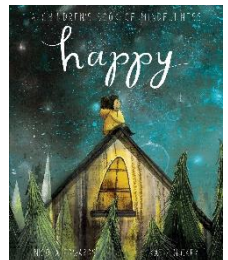

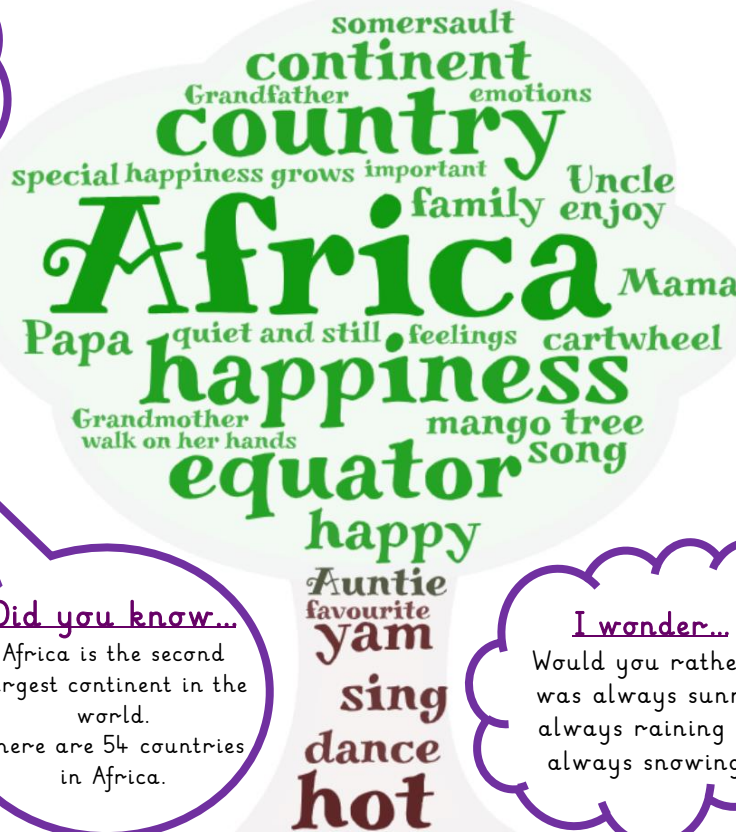

We have chosen this theme as our Power of Reading text for this half term. We will be exploring this book to find out about life in a different country, making comparisons with where we live.

## Skills Focus

People, culture and communities:  
Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and - when appropriate - maps

## Vocabulary

Country  
World  
Weather

## Did you know...

Africa is the second largest continent in the world.

There are 54 countries in Africa.

## I wonder...

Would you rather it was always sunny, always raining or always snowing?

**Things your child can do at home:** Share fiction and non-fiction books based around other countries, noticing some similarities and differences, talk about things that make you feel happy, find different countries on a map or a globe, spend time with your family doing something that makes you feel happy, do something to make someone else happy.

**Homework:** Draw a picture and write a sentence about something that makes you happy.

## We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Responsibility'

This week's song: *Think of a World*.

School Values:

Compassion • Courage • Responsibility

## Lost property

We currently have a growing collection of hats, gloves, scarves that we cannot send home as they don't have a name on them. If you are missing any items please feel free to pop in at the end of the day to have a look. 😊
