

Super Veggies Assemble

Week beginning 29th April 2024

This week in phonics...

We will be learning to read and write two syllable words (i.e. tractor, rabbit, windmill, floating), multi-syllable words (i.e. thundering, helicopter) and compound words (i.e. moonlit, raincoat, handbag, starfish)

We are practising reading all the tricky words we have learnt so far, as well as learning how to spell 'like', 'are' and 'her'.

Why this 'theme'?

We have chosen this theme as the children have been interested in making their own superhero props for role playing.

This week in maths...

We will be learning strategies to help us add amounts together.

Did you know...

Tomatoes, cucumbers and peppers are fruits and not vegetables

I wonder...

What do you think the best superpower to have would be? Why?

Things your child can do at home: Share stories, comics and non-fiction books around superheroes, draw a picture of someone who is a superhero in your life, write a list of your favourite superheroes, watch superhero cartoons or films and tell your grown-up what you liked and didn't like, explaining why.

Homework: Create your own 'Super Veggie', either making one or drawing a picture of one, and write a sentence about them.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Thankfulness'

This week's song: *Be bold, be strong!*
