

Dinosaur ROAR!

Week beginning 15th May 2023

This week in phonics...

We will be learning to read and write words, consolidating our knowledge of consonant clusters (e.g. best, spin, frost, stamp).

We are learning to spell the tricky words 'some', 'come' and 'little'.

This week in maths...

We will be learning about taking away, using objects, ten frames and number tracks to support with this.

Why this 'theme'?

We have chosen this theme as the children love using the dinosaurs and are always building habitats and taking on roles with them.

Skills Focus

Creating with Materials:
Safely use and explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form, and function. Share their creations, explaining the process they have used.

Did you know...

'Dinosaur' comes from Greek, and literally means 'fearfully great lizard'.

I wonder...

Would you rather be a carnivore or herbivore?

Things your child can do at home: Share fiction and non-fiction dinosaur books, create a dinosaur world using everyday objects around the home, visit the dinosaur park, paint pictures or junk model dinosaurs using recycling materials.

Homework: Draw a picture of your favourite dinosaur and add a fact about it.

We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Forgiveness'.

This week's song: *Think of a World*

School Values: Compassion • Respect • Responsibility

Book Fair...

We are excited to welcome the Scholastic Book Fair on Wednesday 17th - Tuesday 23rd May. This will be open from 3.05pm - 4.00pm each of these days. Feel free to come along with your child and explore the range of books available to purchase. Funds raised will go towards getting new books for our school library.
