

# Billy's Bucket

Week beginning 5<sup>th</sup> June 2023

## This week in phonics...

We will be learning to read and write words containing the sounds ph (phonics), wh (wheel), ed (looked), le (little).

We are learning to how to spell 'there', 'what' and 'when'.

## This week in maths...

We will be developing their knowledge of doubles.

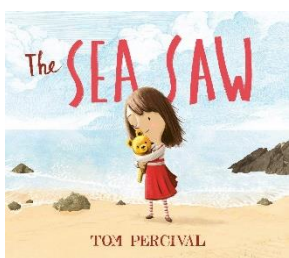

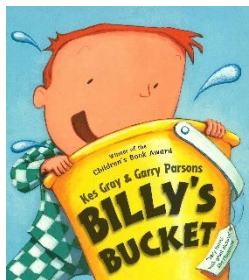

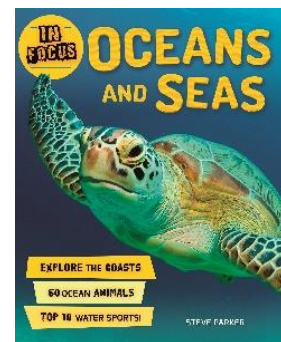

## Why this 'theme'?

We have chosen this theme as part of our Power of Reading week of learning where the children develop their speaking skills through discussions around the text.

## Skills Focus

Communication and  
Language  
Literacy

scuba divers  
birthday  
water holiday  
sandcastles mermaids  
sea creatures  
present shark  
bucket dolphins  
rock pool whale submarines  
seaside  
clown fish barracuda  
spade seaweed

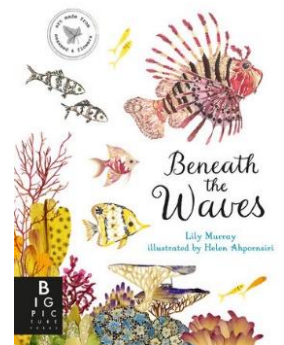

## Did you know...

Sea turtles have been alive since dinosaurs lived on our planet.

## I wonder...

Would you rather live under water all the time or live in space all the time? Why?

Things your child can do at home: Share stories and non-fiction books about sea creatures, practise retelling stories and find out facts in the non-fiction books, look at the calendar and talk about when their birthday is and what they would like for their birthday.

Homework: Draw your favourite sea creature and write down an interesting fact about them.

## We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Truthfulness'. This week's song: 'Be strong, be strong'.

School Values:

Compassion • Courage • Responsibility

## PE

Just a reminder that we have PE every Friday from now on so the children can come in wearing their PE kits. Please can you make sure that if your child wears earrings that these are removed on a Friday ready for our PE lesson.
