

# A Coronation fit for a King

Week beginning 2<sup>nd</sup> May 2023

## This week in phonics...

We will be learning to read and write two syllable, multi-syllabic and compound words.

We are learning to read all the previously taught tricky words, as well as learning how to spell 'all', 'they' and 'have'.

## Why this 'theme'?

We have chosen this theme as it is such a special occasion 'The King's Coronation' and we wanted to commemorate this special event. We plan to finish the week with our own coronation party in class.

## This week in maths...

We will be exploring spatial reasoning, matching and rotating shapes to create patterns.

## Skills Focus

Past and Present: Talk about the lives of the people around. Understand the past through settings, characters and events encountered in books read in class and storytelling.

## Did you know...

King Charles III can speak Welsh and he is a qualified pilot and diver.

## I wonder...

Would you rather live in a palace or a castle? Why?

Things your child can do at home: Share stories and information books about the King, finding out facts about him, make a card for the King, draw your own or decorate a Union Jack flag.

Homework: Choose a party food recipe and work with a grown-up to follow instructions and make it.

## We are a Church of England School...

We say a prayer before lunch each day.

In our daily collective worship, we will be exploring this half-term's theme of 'Forgiveness'  
This week's song: *God save our King*.

School Values:

Compassion • Courage • Responsibility

## Our own Coronation Celebration

On Friday 5<sup>th</sup> May we will be having our own Coronation celebration in class. There will be music, dancing and party food to share together. If you have any party food (e.g. biscuits, cakes, crisps) that you would be able to donate for this occasion that would be brilliant. Please make sure these don't contain nuts. Thank you in advance! 😊
